Facility ID No. 124360  
Silent since February 17, 2015  
  
Request for Special Temporary  
Authority to Remain Silent

Dear Mr. Skinner:

This letter concerns the request you filed on March 2, 2015, on behalf of Wastecon Environmental, Inc. ("WE"), for Special Temporary Authority ("STA") to permit Low Power Station KDXI-LP to remain silent.

WE's request states that Station KDXI-LP went silent on February 17, 2015, pending the proposed modification of its facilities. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.<sup>1</sup>

WE's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KDXI-LP to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KDXI-LP will automatically expire as a matter of law if broadcast operations do not resume by 12:01 a.m., February 18, 2016.**<sup>2</sup>

WE is required to notify the Commission when broadcast operations resume.<sup>3</sup> If WE does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>4</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>5</sup>

Sincerely,

Lisa Scanlan  
Assistant Chief, Audio Division  
Media Bureau
